
FERNANDO BERGAMASCHI DE SOUZA

PHOTOGRAPHY - GRAPHIC DESIGN - ILLUSTRATION

Professional Experience

Fernando Bergamaschi is a Brazilian professional photographer since 1970. Have a long experience in personal services for industries, corporations and advertising agencies in Brazil and abroad.

To photograph is not only make a representation of the object but make an interpretation that mixed with technical knowledge, experience and sensibility can produce a high impact image.

Fernando Bergamaschi is an experienced professional photo studio in Brazil that attends the most different and difficult photography jobs. With any condition, in studio or location. Always on schedule.

If you need a professional advertising, corporate or industrial photographer in South America, one that will make all efforts to give you an above average image, you are in the right place.

Computer programs

Photoshop, Illustrator, FrameMaker, QuarkXpress, Painter, InDesign, GoLive, Dreamweaver, Acrobat and Xtensions/plugins.

Work area

Live in Brazil. Near Uruguay, Argentina, Paraguay, Bolivia. Work in two cities, Porto Alegre in extreme South and Rio de Janeiro in middle east (near São Paulo).

Work type

Photography, graphic design and web design.

Photography Photoindustrial

We make photos for industry, advertising, corporate, executive portrait and aerial photos. Commercial, advertising, installations, product and industrial photography, headshots, farm and agriculture, annual report photos, architecture, equipment and photo illustrations. Do "normal" photography and computer manipulated photography.

Are experts with "difícult assignments" in studio or location. Can work in any place and with any conditions. Can travel anywhere at any time.

Graphic design Designdeimagem

Designdeimagem is a graphic designer, photographer and illustrator studio that offers his personal services to Brazilian and foreign companies with the ecological intention to cause the minimum environment impact.

We make personalized dynamic layout creation, VDP. Business brochures and product catalogs. Pamphlets. Email, postcards, banner and book creation.

Control our jobs from the retouch to special effects, from the cmyk color corrections to the color plate separator and to the final color adjustments on the offset printing equipment.

Illustration

Photo Illustrations for editorial, advertising, posters for the medical and technical areas.

Webdesign

Web site creation with Search Engine Optimization, SEO.
